Kamilia went to a supermarket to buy herself a headscarf. She saw a headscarf for RM150 with a poster stating that the item has 50% reduction in price, making the price of the headscarf as RM75. In excitement, she then took the headscarf to the cashier to make the payments. Then the cashier told Kamilia that the discount is not applicable on the headscarf as the promotion ended just two hours ago. The cashier also stated that she had forgotten to bring down the promotion poster. Kamilia demanded the cashier that the headscarf must be sold for RM75. However, Mukhlis, a bystander stopped Kamilia by telling her that she has no right to do so as the poster was just a mere invitation to treat.

Construct a persuasive argument with reference to a case study to support Mukhlis's contention against Kamilia.
